

## New Ownership Transforms Waukesha Tuffy Tire & Auto

Local franchisees purchase first location on Sunset Drive. Toledo, OH

Earlier this year, the existing Waukesha Tuffy Tire & Auto Service Center on Sunset Drive has transferred ownership to local residents with rich backgrounds in the auto repair industry. Recognizing that satisfied customers are the foundation of their business, new franchisees, Brian & Laura McCullum, promise to provide quality service and parts at an exceptional value.

“Finding someone you can trust that provides excellent service and makes you feel at ease with your vehicle can be very difficult,” states Brian McCullum. “From day one, we’ve made a commitment to our customers and employees to be professional, courteous, and above all fair.”

“We wanted to give customers a complete experience above and beyond just providing free beverages or shuttle service to the mall during the wait,” mentioned Laura McCullum. “We wanted more and that’s why we chose Tuffy. With a national lifetime warranty program and numerous financing options available, we’re able to offer real value to our customers.”

With a complete list of full service automotive care from tires and brake service to oil changes and alignments, Tuffy can fix nearly every problem on nearly every make and model of vehicle, foreign and domestic.
